recruitment summary

Hi,

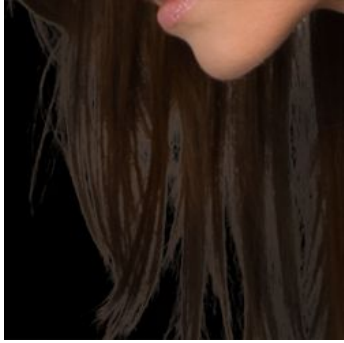

Thank you for application on the recruitment program and the Your time to complete all tests. Willingness to participate in the recruitment expressed 36 people . 19 of candidates has sent resolved task, among which we selected the best one.

All of You very well coped main character bu using Pen Tool. A number of applicant forgotten cut-out trademarks. Half of you cut out character hairs properly , but the real challenge proved to be red-haired model's hair.

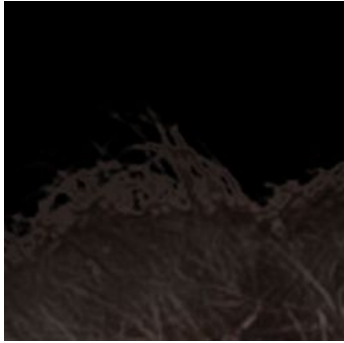

Please find an alphabetical list of all candidates with a brief comments bellow.
Once again, thank you for Your time.

Sincerely,
Andrzej Gasior
